

**【Update】** We have improved structure and noise level of the original air pump. Silent aquarium air pump.

**【Complete Accessories】** Comes with all needed air pump accessories, includes: Air Tube(4.9FT)\*2, Air Stone\*2, Return Valve\*2, Suction Cup\*2, Regulating Valve\*2, T Connector\*1, Air Filter Cotton\*1. Original quality, professional manufacturer.

**【Specifications】** 2 Outlets aquarium air pump, Power: 3W, Max Air Flow: 80GPH(2\*2.5L/min), Air Pressure: 18Kpa, Size: 4.7\*3.1\*2.4in, Length of the Power Cable: 4.9FT. Suitable for 10-120Gallon fish and turtle tank.

**【Adjustable Air Volume】** The powerful air pump has a smooth adjustment knob, and it is very easy to achieve the appropriate air volume. This air pump adopts precise electronic adjustment technology, and the air volume delivery is more continuous and stable.

**【Silent Air Pump】** This fish tank air pump has a thickened ABS casing which is quieter than normal casings. We improved the air pump and used a thicker frame to cover the gap of the air pump, which will make the noise isolation of the air pump better. And this fish air pump also has 4 soft rubber feet, which can effectively reduce the vibration during work.

**【Long Service Life】** There is an air filter cotton at bottom of the fish bubbler, which can filter impurities in the air. We have assembled an additional air filter cotton as a spare. You can replace the filter cotton to prolong the service life of the air pump. And we provide a 12-month warranty for this air pump, please feel free to contact us if you have any questions, our after-sales team will reply within 24 hours.
